Sonny's POS & Cloud-Based Back Office

Software Features

Dashboard View

Quickly glance at your wash performance with a visual display of key metrics and trends on your dashboard. Get insight into hourly sales, active labor, month to month comparisons, gross revenue, and even hourly weather!

E-Commerce & Customer Portal

Sell unlimited plans, wash books, and gift cards online within a matter of seconds. Give your customers the convenience to manage their own plans from their computer or mobile device.

Actionable Real-Time Reports

Examine your site's performance to strategize with insights. View numerous reports including sales, labor, maintenance, multi-site, recurring visits, and more.

Help Desk

Submit support tickets, view how-to videos, product guides, and user guides all from your Help Desk portal. Reference the latest release notes, features and updated information all in one place.

Unlimited Wash Plans

Flexibility to sell, redeem, and manage unlimited plans at all your sites. Monitor your actual costs, customize the redemption and frequency limits to match your business model.

Software Updates

Sonny's Controls Cloud-Based Back Office is constantly evolving, with regular releases every 5-6 weeks. These updates include new features based on customer requests, industry trends, and technology advancements.

Cloud Based & Intuitive Interface

Access your Back Office software and data reliably at any time, wherever, and on any device (with internet connection). Enjoy infinite data storage, no maintenance efforts, and intuitive design.

API Capabilities

With API capabilities you have programmatic access to your data in Sonny's Cloud-Based Back Office. Gain the flexibility and scalability to create applications to perform complex operations on a large scale.

Sonny's Mobile Pay Station

A portable device containing all the same functionality as the standard Point-of-Sale in a lightweight and compact design. Withstands extreme environments with high temperatures and humidity (IP65 rated). The mPOS™ features a Solid State Drive and has been tested to withstand drops of up to 5 feet. Includes a manufacturer 4 year accidental damage warranty.
