Sonny's Pay Station

Product Features

Powerful Marketing Tools

Provides a host of useful features and promotional opportunities like:

- One-Time Use Codes
- Bounce Backs
- Happy Hours
- Discounts
- Text Sign Up
- Time-Based Promotions (with LPR)
- Retargeting (with LPR)
- Lottery Wash (with LPR)
- Fundraisers
- ... and more!

House and Fleet Accounts

Process corporate customers with LPR or RFID. Seamless redemptions and discounts on purchases.

Monthly Membership

Quickly sell, redeem and renew membership plans directly from the Pay Station. Add License Plate Recognition (LPR) to eliminate RFID tags, increase conversions, and reduce labor.

Gift Cards & Wash Cards

Conveniently sell, recharge and dispense cards directly from the Pay Station. After purchasing the card, it is programmed, dispensed, and ready for use.

Built-in Security

The stainless steel enclosure protects from damage and theft. The security door folds back easily, creating additional space for marketing inserts in the snap frame on door.

Accessibility drawer for easier serviceability

Interior door snap frame for marketing inserts

Optional Gift Card and Wash Card dispenser

Process transactions using chip insert, tap, or mobile payments.

Sonny's Compact Pay Station (VIP Lane)

Sonny's Compact Pay Station is smaller in size with speed-of-service for members. This unit features cashless payment and easy member credit card updates. Customized with your brands colors and imagery, branded screens, and stainless steel enclosure to keep your Pay Station safe from damage and theft.

- 12 inch antiglare touch screen display
- Multiple custom screen flow configurations
- EMV Reader, code scanner, and receipt printer
- Built in speaker for instructional prompts
- Security door with integrated sleek lock
- LPR and RFID integration
