

Wipe-O-Matic™

Specifications

Footprint Length	72in
Footprint Width	215in
Unit Height	134in

Sonny's Wipe-O-Matic

Sonny's Wipe-O-Matic™ placed at the end of the tunnel after your dryers, consistently wipes away any residual water left on the vehicle, providing a hand-dried feel.

- Overlapping synthetic chamois cloths wipe and absorb water from just above the molding line on the side of the vehicle and all top surfaces.
- Adjustable rubber wringers and wash spray clean, squeeze out water for consistent results all day long.
- Available Retracts and wash to keep chamois from traveling inside truck beds and to allow unit to be used with an online tire dressing applicator.
