

2K14 Top Brush™

Sonny's 2K14 Top Brush™ with lower height requirement and simple mechanical operation features a proven pivot system that delivers a fluid motion over all horizontal surfaces for a more consistent wash across a wider range of vehicles.

Features

- NEOGLIDE® Foam Hush Brush doesn't absorb water to deliver a consistent balanced wash, every time, regardless of volume.
- Automatic Truck Bed Retract option uses sonar to retract top brush and blowers to ensure no issues with open truck beds.
- Easily expand wash capacity with Wrap-Arounds, Tire brush, and a variety of side brushes to elevate cleaning performance.

Top Brush™ Base Frame with Optional Powder Coating
