

Compact Top Brush™

Increase wash quality and top surface cleaning without increasing tunnel length. Sonny's Compact Top Brush is a cost-effective retrofit to an existing Sonny's Mitter Frame. It can also be outfitted as a Top Brush Spyder combination with Wrap-Around Washers attached to both the entrance and exit for maximum cleaning performance.

Features

- Simple mechanical counterweight with innovative dual action cylinder delivers precise fluid control across a wider range of vehicles.
- Cantilevered Design for accurate balance and octagonal lightweight aluminum core for smooth operation and ease maintenance.
- 304 stainless-steel main support weldment and double roller bearings with 2 inch pivot shaft for durable operation.
