

SFM901™ Front-to-Back Mitter

Sonny's SFM901™ half-moon basket design increases cloth movement and stroke for better cleaning of top and horizontal surfaces. The QuadX frame is extremely durable, maintenance is minimal, and few adjustments are needed. No retracts are necessary for bike and roof racks.

Features

- Greaseless UHMW plastic bearings and intelligent engineering deliver reliable performance with minimal maintenance.
- Ultra-durable 1-1/2HP wash-down duty TEFC electric drive motor, and 60:1 gearbox for trouble-free operation.

Material Options

Microclean®	Soft polyester fibers that increase surface area contact and flush dirt away for better cleaning
EcoFi3™	Made from recycled plastic bottles, EcoFi3™ is environmentally friendly. The plush fibers do an incredible job cleaning while absorbing less water to stay light and quiet on the car.
Permacolor®	The industry standard cloth. Durable, easy to clean, long-lasting and affordable.
