

Wrap-Around Washers

Exclusive Restrict-O-Flex™ Coupler with built in dampening that safely navigates around mirrors, antennas, and rear wiper blades to deliver a complete wash safely without prepping.

Features

- Advanced hub design reduces weight and distributes pressure evenly to overlap wash motion on the back of the vehicle.
- Offset injection molded rings allow individual NEOGLIDE Plush Brush sections to be replaced in minutes to extend brush life.
- Double tapered roller bearings with spring loaded bumpers for smooth consistent wash quality with less maintenance.
