

## Wrap-Around Washers

Exclusive Restrict-O-Flex™ Coupler with built in dampening that safely navigates around mirrors, antennas, and rear wiper blades to deliver a complete wash safely without prepping.

### Features

- Narrow 6in UniHub reduces weight and distributes pressure evenly to overlap wash motion on the back of the vehicle.
- Double tapered roller bearings with spring loaded bumpers for smooth consistent wash quality with less maintenance.
- Available with different wash materials and arm designs for specific cleaning challenges at any conveyor speed.
