

Car Wash Wrap-Around Washers

SF 72in Hub DoubleJog
Wrap-Around Washer

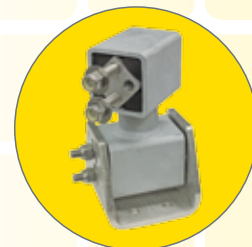

Wrap-Around Washers

SONNY'S Wrap-Around Washers feature our exclusive Restrict-O-Flex™ Coupler and dampening system that delivers precision cleaning and safe navigation around mirrors, antennas, and rear wiper blades. Narrow 6-inch UniHub design simplifies maintenance, reduces weight, and distributes pressure evenly for safer, more effective cleaning. SONNY'S Wraps are available in entrance and exit configurations with straight arms and 68in hubs, or our high volume "Big Man" 72in hubs with DoubleJog arms that help eliminate manual prepping at conveyor speeds approaching 200 cars per hour.

- Durable QuadX aluminum frame
- Long lasting double roller bearings
- Pneumatic retract cylinder
- Spring loaded bumpers & stabilizer shocks
- Water manifold & foam applicator
- Shown with optional powder coating

What's so special about our exclusive Restrict-O-Flex™ coupler?

It delivers precision control for safer navigation and better cleaning and requires no lubrication!
