

Pendulum Combos

Sonny's Pendulum Combo™ attachments are available for both our SFM807™ Mitter and our Top Brush™. They allow you to deliver body cleaning with perfect wheels in a compact space without sacrificing throughput.

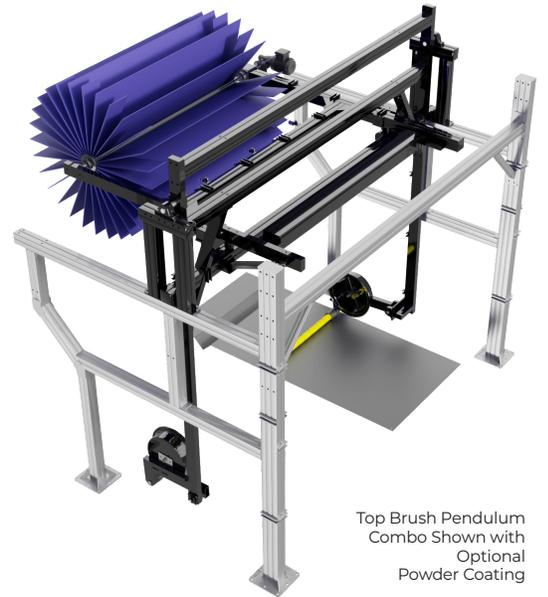

Features

- Patented Pendulum follows and cleans each wheel for a full five feet with your choice of Mitter or Top Brush on horizontal surfaces.
- Reliable mechanical design with greaseless UHMW bearings with little maintenance that automatically adjusts to any conveyor speed.
- Increase cleaning in the same footprint with Zero-Degree Plus high pressure OMNI and Mirror Blaster attachments.

Pendulum Spinner Plus

The most powerful Pendulum wheel cleaner we offer to deliver amazingly clean wheels.

Requires an additional pump to operate. Features three spinners and 12 Zero-Degree Plus nozzles per side, increasing coverage to thoroughly clean every wheel.

Pendulum Combo Foundation Frame Attachment Options

Octopus Mirror Blaster

Wider spray pattern with nine nozzles per side completely flush mirror housings. Features Pendulum Arm Mounting with Driver and Passenger Side Manifolds.

Mirror Blaster

Conserves rinse water and blasts detergent from mirrors. Features Pendulum Arm Mounting with Driver and Passenger Side Manifolds.

Rainbar Mirror Rinse

Completely removes detergent residue resulting in better drying and foam free mirrors. Features Pendulum Arm Mounting with Driver and Passenger Side Manifolds.

OMNI™ Single and Dual Manifold Top Attachments

Increased high pressure wash coverage without increasing tunnel length. System Includes: All Nozzles and Air Kits.
