

Pre-Soak Applicator Arches

Sonny's fixed, pivoting, and floor mounted applicators provide complete detergent coverage you need to wash any vehicle, at any speed — whether you process 45 cars per hour or well over 200.

Features

- Multi-directional fixed applicators with K-nozzles to completely cover the front, sides, top and rear of the vehicle.
- Twist N Kleen® Foam Generators improve foaming action while both simplifying and reducing maintenance.
- Elevate coverage with pivoting applicators that track vehicles for increased contact time and coverage at high chain speeds.
