

# Pressure Gun Unit

Sonny's Pressure Gun Unit is the dependable, affordable, and easy-to-maintain solution to clean the tunnel and equipment, and for seasonal bug removal.

## Features

- Gravity-fed for constant performance with unique coupling design for quieter operation with less maintenance.
- Single-or-double stacked to operate 2 spray guns, each at 4GPM and 1,000PSI for maximum efficiency from the same small footprint.
- Choose Arimitsu, Cat, or Wanner pumps available with belt drive or our latest direct drive to eliminate belt and pulley maintenance.

Direct Driven Pump

Belt Driven Pump
