

# Foaming Rainbar Foaming Sheet Applicator

Rainbar Attachment shown with wings, arch sold separately.

## Why Choose SONNY'S Foaming RainBar Applicator?

SONNY'S RainBar Applicator delivers complete coverage and a great customer experience while reducing the amount of foam on the vehicle surface to control costs and improve rinsing.

- **Precision RAIN foam ports** cut through turbulence to deliver full coverage.
- **Reduce maintenance, chemistry costs, and improve foaming action** with included patent pending Quick-Release foam generators.
- **Supports single or triple color** foam applications!
- **ONLY 2 inches wide** to fit in tight spaces with included mounting brackets.

### Includes:

- Manifold
- Quick Release Foamers
- Mounting Brackets

### Requires:

- Graco Pump Station for Single Color
- OR G57/Dosatron Single, Dual, or Triple Pump Stations

### Optional:

- Square Arch
