

# Car Wash Vacuum VAC 2100 and 1100 POSTS

## SONNY'S VAC2100 and VAC 1100 Posts

SONNY'S VAC1100 Vacuum Post System keeps everything organized.

- Customers have easy access to your vacuum stations.
- Multiple attachment options for mat holders and trash receptacles.
- Optional Cyclone Trash separators can be installed at each vacuum post to prevent clogged lines.
- VAC2100 boom design keeps hoses securely off the ground for better access to both sides of the vehicle while reducing wear and tear.
