Mechanical Plans

“ Our decision to work with SONNY'S was the single most important factor in our early success as an organization. We came into this business without any industry experience and SONNY'S incredible team of former operators, industry experts and warm and responsive service staff helped us get off the ground, learn how to operate a great car wash and has continued to support us on a regular basis. I couldn't imagine working with anyone else in the industry. ”

Tom D'Eri
COO / Co-Founder — Rising Tide Car Wash
Boca Raton, FL
