Rich's Polishing Tunnel Case Study **OUTSHINING THE COMPETITION**

Situated in Mobile, Alabama, a town that has over 22 conveyer locations, the team at Rich's knew they had to bring something unique to the market that would make the customers keep coming back. That's when they decided to add a polishing tunnel to give them a unique service that would make them stand out. Learn about the challenges and opportunities they've discovered and their plans to leverage a higher profit value proposition to outshine their competition.
