## New Investor CheckList

## Site Planning

	A. Already have Land
	1. Make sure the ideal use for the land is a car wash
$\sqcap$	2. Acquire proforma to help with projections
Ħ	3. Hire architect that has done previous
ш	car wash sites
	4. Find design and build firm with car wash
ш	experience
	·
H	5. Get help designing your brand
$\vdash$	6. Get car wash specific training
$\sqcup$	7. Obtain finance for entire project
$\sqcup$	8. Select equipment manufacturer that can
	provide support on the above items
	B. Don't Yet have Land
Ш	1. Find a company that can help you with
	what to look for in a site
Ш	2. Learn about car wash types to decide what
	model you want. This will enable you to purchase
	the required amount of land.
	3. Investigate hidden cost on land before purchase
	i. Permitting fees
	ii. Utility cost
	iii. Site work
	C. Existing Site Purchase
	C. Existing Site Fulcillase
$\Box$
