

Buff-n-Dry™ Machine

Sonny's Buff-n-Dry™ Machine is the ideal choice to wipe away residual water droplets and gently buff painted surfaces at high volume locations for a visibly better shine that customers will notice.

Features

- Interchangeable material shams Velcro to the hub for simple maintenance. While one set works, a second is washed, dried, and ready.
- Included riser kit raises the brush to prevent stalling on big trucks. Optional Automatic Truck Bed Retract ensures labor-free, reliable performance.
- Available wraps feature a Z Arm design to reach further across the back with a complete retract to dry material between vehicles.

Specifications

Footprint Width		144in
