

Dual Action Grill Brush™

Sonny's Dual Action Grill Brush is like two washers in one with bug busting power. It follows and cleans the complete front of the vehicle safely, before washing side surfaces like a standard 50 inch brush.

Features

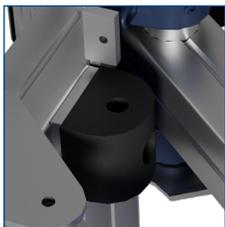

- Cannot bend license plates since they rotate “at” the vehicle in the opposite rotation of a Wrap-Around Washer.
- Multi-Tiered Hub cleans heavy rocker panel dirt while delivering deep gentle cleaning to contoured sides and mirror backs.
- Simple pneumatic controls for precise wash penetration adjustment and full retract with a pre-plumbed crossover arch.

Specifications

Footprint Length	138ln
Footprint Width	156ln
Height	116ln
Vehicle Clearance	90ln
Water Inlet	1/2in
Hydraulic Option	4GPM Per Motor
